SVYB DRIBBLE 10

WEEK 3: MOVE WITH THE BALL

Build control, change direction, and add confident combo moves.

1-MINUTE WARM-UP
20 ball smacks (alternate hands)
20 waist wraps (10 each direction)
20 figure-eight wraps (10 each direction)

9-MINUTE DRILL SET
9 drills, 45 seconds work + 15 seconds rest/switch
Complete each drill once for a 10-minute workout.

DRILL	REP GOAL
1. Right-hand low dribbles Keep the ball low and controlled at your right side.	**50 dribbles**
2. Left-hand low dribbles Keep the ball low and controlled at your left side.	**50 dribbles**
3. Right-hand forward and lateral retreat 3 dribbles forward, then 3 dribbles retreating backward and to the side. Repeat.	**10 sequences**
4. Left-hand forward and lateral retreat 3 dribbles forward, then 3 dribbles retreating backward and to the side. Repeat.	**10 sequences**
5. Low dribble crossover 2 low dribbles, crossover, repeat. Stay balanced and switch hands each time.	**20 combos**
6. Behind-the-back crossovers Move the ball behind your back from hand to hand. Alternate sides and stay in control.	**20 switches**
7. Low-to-high dribbles 3 low dribbles, then 3 high dribbles with the same hand. Crossover and repeat.	**20 combos**
8. Between-the-legs lunge walk Alternate lunges, passing the ball between your legs with each step. Advanced: controlled dribble between the legs.	**10 lunges**
9. Low dribbles, behind-the-back, and go 3 low dribbles, crossover behind the back, then 3 controlled dribbles forward. Alternate starting hands.	**10 combos**

KEEP IT SAFE AND FUN
Use a clear, flat space. Keep your eyes up when possible and rest during each 15-second break. If a move feels difficult, use a simple front crossover or hand switch.

COUNTING GUIDE
One bounce = one dribble. A hand-to-hand change = one switch. A full listed sequence = one combo or sequence. Ask your player to demonstrate one drill practiced.

WEEK 3 COMPLETE
Finish strong - every controlled rep counts!
